WEEKLY ANALYSIS

During Week 05–11 October 2026 a total of 42 maritime incidents were reported globally, comprising 11 maritime incidents, 07 piracy and armed robbery incidents, 04 smuggling incidents, 03 narcotics-related incidents, 02 IUU fishing incidents, 15 other incidents, No any irregular human migration incidents and maritime environmental pollution incidents. In addition, 16 weather-related incidents were recorded including 03 tropical cyclones and 13 earthquakes. Piracy and armed robbery remained a major maritime security concern, particularly in the Strait of Hormuz, Gulf of Oman, and Bab el-Mandeb, where multiple commercial vessels were attacked by unidentified projectiles resulting in vessel damage, fires and reported casualties. Sri Lanka recorded 03 smuggling incidents with 01 IUU fishing-related incident concerning maritime boundary violations near Kachchatheevu. Three narcotics-related incidents were reported globally in Pakistan, Thailand, and Bangladesh. Furthermore, the presence of 20 Iranian-flagged vessels in waters off Sri Lanka was highlighted in the report, warranting close monitoring of developments affecting regional maritime security.

Recommendations: Strengthen maritime surveillance, AIS monitoring and intelligence sharing, particularly along the Strait of Hormuz, Gulf of Oman, Arabian Sea and wider Indian Ocean. Strengthen Sri Lankan coastal surveillance and enforcement against smuggling and IUU fishing particularly along the western and northwestern coastal areas. Maintain effective SAR preparedness and closely monitor the presence and movements of vessels off Sri Lanka together with emerging regional maritime-security developments.
